No. 1194 of the 31/7/11
Submits a draft of the notfn embodying necessary changes in the rules.

In the sale notfn of the excise privileges for 911-12 one of the conditions relates to the minimum ~~to~~ quantity of the drug that can be sold at a time under a permit. The ~~proposed~~ alteration now suggested introduces a change in that condition.

The Excise Commr suggested that the reduction in the limit of possession to one tola may be felt as a hardship by some consumers. He has not said anything about the licensees of Opium shops. In their case it is not possible to say if the sales in their shops will be affected by this change. ~~The~~ When the licensee has to sell

It is a point for consideration whether the change now contemplated is covered by condition 38 of the ~~not~~ notfn. If it is considered that the licensees are bound by this change, the notfn proposed by the Excise Commr will have to be slightly ~~not~~ altered by the ~~st~~ substitution of the words "one tola" for "three tolas" in places indicated in the notfn proposed by him

condition of the Sale Notification does not cover changes of the kind in question. Attention is however invited to condition no 1 applicable to Opium Licenses (Vide p. 11 of the Notifn) where it is explicitly laid down that the licensee shall be bound by any additional general or special rules which may from time to time be notified

The Excise Com is agreeable to the proposed change being brought into force from July next.

In the draft notification sent by the Excise Com a slight modification seems necessary. For three tolas should be substituted one tola. Further it is in line 4 (not 3) of clause (i) a that the word 'three' occurs a second time.

Submitted for orders. The amendment has perhaps to be made with the concurrence of the Residency Surgeon. See the old file below (File 21 of 1897-98). A corresponding change in the CDN Rules will have to be made.

Here comes another request to remove the word 'complete' from the sale notification for opium. Put the file up with the draft amendment

SIR,

With reference to your letter No. Fl. 5933/S.R.196-10-2 dated 2nd June 1911, calling for my opinion regarding the reduction of the limit of private possession of Opium from 3 tolas to 1 tola, I have the honor to state that as many parts of our Province are bordering on the Madras Presidency, it is very desirable that the procedure on both sides should be similar so as to avoid any risk of smuggling from and into Mysore.

2. The reduction in the limit of possession to one tola may be felt as a hardship by some consumers which may eventually lead to illicit practices. But this can be put down by the vigilance of the staff and by insisting on the maintenance of the adequate stock in retail shops whereby the wants of the public can be easily met.
